Meetings Made Easy

317 on Rice Park has been a St. Paul landmark since 1914 - a place where friendships and business relationships flourished as a private downtown clubhouse.

Now privately owned and freshened with a multi-million dollar renovation that preserved the integrity and ambiance of the original design, 317 on Rice Park begins a new era as one of the Twin Cities' most distinguished event venues.

The space, accommodating groups from 10 to 200, is stately and grand - featuring high ceilings, expansive windows and rich, detailed woodwork befitting a building of social and historical significance.

A full range of catering services are available through the award-winning Wildside Caterers.

We proudly offer our Complete Meeting Packages, featuring many of the items requested most frequently by professional meeting and event managers, accentuated by our outstanding food, meticulous service and award winning staff.
